

## Taylor Falls Giving Tree

The Giving Tree was set up in the lobby of Taylor Falls Elementary during December. Canned goods, nonperishable items and monetary donations were collected for our local food shelf. Canned goods and nonperishable items were placed in boxes under the tree. Monetary donations were dropped off in the office. Students and staff collected 226 pounds of food and raised \$685. Because the food shelf can purchase \$7.00 for every \$1.00 donated, the food shelf will be able to purchase \$4,795 of food.
