

## **The Great CLMS Magazine FUNdraiser!**

First, we would like to thank all of you who made monetary donations or ordered magazines during our annual CLMS fundraiser. This year the students and staff had a blast as mini-rubber ducks were awarded at lunch during the two week event! Through this fundraiser students build confidence, develop interpersonal skills and strive for personal goals, while helping CLMS raise funds for educational use. We appreciate you visiting this sight to learn more about this program. Here are frequently asked questions, and answers, about our annual fundraiser:

### **1. How long is the actual sale and who operates your sale?**

Students who choose to participate ask friends and relatives to purchase and renew magazines for two weeks, beginning in September on the first Thursday of the school year. This fundraiser is directly operated by QSP Inc. and coordinated by SuZanne Gillespie at CLMS.

### **2. What is the purpose of selling magazines?**

Magazine Sales are the only school-wide fundraiser CLMS holds each year. Magazine sales promote literacy, which is a critical skill we look to develop, enhance and encourage at CLMS. In addition, the funds raised allow CLMS to offer mini-courses, fieldtrips, and student recognition programs.

### **3. The sale is over at school. Can I still purchase new, or renew, magazines at 85% off the cover price and have some of the proceeds go to Chisago Lakes Middle School?**

Yes, you can purchase magazines **ANYTIME DURING THE YEAR** and get a wonderful deal at QSP.com while still supporting our school. The directions are as follows:  Go to the internet and type in QSP.com  Under the "Supporters" tab click on "Shop now"  Next go to "School/Organization" type in Chisago Lakes Middle School or 1085604 and "shop now"  Add the magazines you would like to your shopping cart and click on "Proceed to Checkout"  Complete the billing and shipping information.  At this point you decide who you would like to give credit for the orders (either a CLMS student or simply the school) and type in your credit card information as well.  Print the receipt as a confirmation of your purchase and you are done! Quick, reasonable, easy and you have signed up for quality magazines at a fantastic price and helped our school in the process! We are very grateful. Thank you.

#### 4. How long between the time I order and the time my first magazine issue arrives?

Magazines ordered on-line may take between 6-10 weeks for delivery from the order date. Orders submitted on paper forms will be 12-14 weeks prior to delivery from submission date.
