Dear 2010 Kindergarten Families,

Chisago Lakes Area Schools welcomes you! As you prepare to register your child for Kindergarten, we want to let you know of the Kindergarten options offered in our district.

Due to the lack of funding from the State of Minnesota, Chisago Lakes School District will be offering **Full Day/Every Other Day Kindergarten** during the 2010-2011 school year, similar to other districts in our area. This will eliminate the midday bus route that was previously offered, helping the district to balance the budget. The morning (9:00 a.m.) bus and the afternoon (3:30 p.m.) bus will continue to be offered. This option will follow the same exceptional Kindergarten curriculum as in the past and will prepare your son or daughter for success in 1st grade.

Other Program Options Offered (dependant on enrollment) will be:

- 1) **Half-Day/everyday Kindergarten** (no cost – transportation will **not** be provided at noon)
- 2) **Full-Day Kindergarten Plus** (fee based) Full day/Every day

Kids Club childcare (fee based) will be offered to support all of these Kindergarten options.

We would like to invite you to one of the two **Kindergarten Options Informational Meetings** that will be available in January, 2010. Here we will share information about your options, answer questions and be able to get a better feel for what your needs are.
